

The Chicago Medical School Residency Evaluation

Training Program:

PGY Level:

Date:

This evaluation is given to all residents and fellows. Please complete the evaluation so that we can evaluate your impressions of the training and education that you are receiving. For each item, circle whether you strongly agree, agree, disagree, or strongly disagree. Thank you for your assistance.

	<u>Strongly Agree</u>	<u>Agree</u>	<u>Disagree</u>	<u>Strongly Disagree</u>	<u>N/A</u>
Overall, my residency is a good one.					
My residency program has enough faculty to support my education.					
My program treats me professionally.					
The curriculum meets realistic goals for my future.					
My residency provides an adequate quantity and quality of educational conferences.					
I receive appropriate supervision for my patient care activities.					
I have been informed about the new "competencies" required by the ACGME and that my learning and use of new competencies will be evaluated by my training program.					
My residency provides a fair balance between education and service.					
The medical centers provide adequate security for me when I am caring for my patients.					
My residency provides support for me to maintain my health.					
My residency deals effectively with my colleagues who are not performing effectively.					
My residency provides instruction on quality assurance.					
My program provides an adequate number of social events.					
Travel to the medical center does not significantly impact my education.					
I am aware of the Chicago Medical School's "Moonlighting" policy.					
I have the opportunity to participate in research.					
My residency prepares me adequately for board certification.					
The medical centers provide adequate meals.					
The medical centers provide adequate sleeping quarters.					
The faculty is available to answer questions regarding my patients.					
My program assigns to me, or allows me to choose, a faculty advisor/mentor who assists me in getting the most out of my training and in helping me prepare for my career in medicine.					

	<u>Strongly Agree</u>	<u>Agree</u>	<u>Disagree</u>	<u>Strongly Disagree</u>	<u>N/A</u>
My residency has a fair and acceptable policy on duty hours and night calls and, although circumstances may occasionally require flexibility, the policy is adhered to.					
The medical centers provide adequate nursing services for my patients.					
The medical centers provide adequate library services for me and my colleagues.					
The medical centers provide adequate laboratory services.					
The medical centers provide adequate conference rooms and classrooms.					
The medical centers provide adequate parking.					
I have read the Graduate Medical Education Manual of Policies and Procedures of the Chicago Medical School.					
I have the opportunity to meet with my Residency or Fellowship Program Director as needed.					
I have the opportunity to meet with the Chairman of my department as needed.					
I have been instructed in the skills of teaching medical students and other residents, and I have been given the opportunities to engage in teaching with feedback on my performance.					
I have participated in one or more medical centers' quality assurance programs.					
My performance is discussed with me on a regular basis.					
I have access to faculty who evaluate my performance.					
There is adequate opportunity to interact with residents in my program.					
There is adequate opportunity to interact with CMS residents in other specialties.					
I have attended an adequate number of Mortality and Morbidity Conferences.					
My residency arranges for me to have my own panel of outpatients.					
My residency provides counseling if needed.					
I feel safe and secure in and around the medical centers.					
I have observed an adequate number of autopsies.					
Since the last reporting period about 6 months ago, estimate how frequently your duty hours have been exceeded for each of the following five parameters by choosing one of the following: Never Exceeded, Rarely Exceeded, Infrequently Exceeded, and Frequently Exceeded.
